## LUNCH OPTIONS

The Anthony Lunch Program is comprised of 5 lunch options Monday through Thursday. Friday lunches are reserved for the 8<sup>th</sup> Grade Pizza Fundraiser. Pizza ordering is separate from Culinary Consultants. Ordering forms can be found in the office. These five lunch options will be listed each day on the Lunch Calendar. A complete list of weekly and yearly menus can be found on The Anthony School along with the Chef Paul's website. Additional culinary terms and food glossary can also be found on lunch website, [culinary-consultants.com](http://culinary-consultants.com)

Drink options will consist of Bottled Water, Coleman Dairy Milk and Coleman Dairy Chocolate Milk. Although, the drinks are included, we ask that you still order your drink so we can control our inventory for availability and freshness. If no drink is selected, **bottled water** will be selected automatically.

### Un Ordered/Charged Lunches

If you want to join your student for lunch or simply forgot to order a lunch, you can **CHARGE** a lunch. All un ordered lunches will be charged \$6.00 and will need to be paid in office by cash or check. Payment online is not available for late “Charged” lunches. You or your student can simply enter the lunch line at the end of their class. We will offer a **limited** option for that day. We will document the charged lunch(es) and send out a notification of all charged lunches. A quarterly invoice will be sent out for all outstanding charges to the parent or guardian.

To lower the amount of waste, we serve as much of the food items on non-disposable dishes and bowls to enhance the food quality, ensure proper quantities, and become a better steward of our environment. **If your student packs a lunch, please bring proper flatware from home because we will not be able to provide supplies for lunches NOT ordered.**
